

## **ADDEMDUM TO FINAL STATEMENT OF REASONS**

### Public comment

At the hearing, oral testimony was received from Leticia Robinson, Research Consultant for the Medical Board of California.

Ms. Robinson's testimony was meant to only provide information about the Medical Board of California's sponsored free health care events program and not to comment on the Physician Assistant Board's regulatory proposal.

### Forms

The following forms have been incorporated by reference and were made available upon request:

- Form 901-A (DCA/2011) – Sponsored Free Health Care Events, Registration of Sponsoring Entity Under Business and Professions Code Section 901.
- Form 901-B (PAC/2012) – Request for Authorization to Practice Without a California License at a Registered Free Health Care Events. Revision PAB/2013, August 2013, replaces PAC/2012 and is included in this rulemaking file.

The Physician Assistant Board determined that it was cumbersome and impractical to publish these forms in the California Code of Regulations.
