

TITLE 16. PHYSICIAN ASSISTANT COMMITTEE

NOTICE IS HEREBY GIVEN that the Physician Assistant Committee is proposing to take the action described in the Informative Digest. Any person interested may present statements or arguments orally or in writing relevant to the action proposed at a hearing to be held at 2005 Evergreen Street, Hearing Room 1150, Sacramento, California, at 10:00 a.m., on 6 February 2012. Written comments, including those sent by mail, facsimile, or e-mail to the addresses listed under Contact Person in this Notice, must be received by the Physician Assistant Committee at its office no later than 5:00 p.m. on 6 February 2012 or must be received by the Physician Assistant Committee at the hearing. The Physician Assistant Committee, upon its own motion or at the instance of any interested party, may thereafter adopt the proposals substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written or oral testimony related to this proposal or who have requested notification of any changes to the proposal.

Authority and Reference: Pursuant to the authority vested by Sections 3510 of the Business and Professions Code, and to implement, interpret or make specific Sections 3509 and 3513 of said Code, the Physician Assistant Committee is considering changes to Division 13.8 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Business and Professions Code Section 3510 authorizes the Committee to adopt, amend, or repeal regulations as may be necessary to enable it to carry into effect the provisions of the Physician Assistant Practice Act. The Committee is proposing the following changes:

Amend Section: 1399.536

Business and Professions Code Section 3509(a) authorizes the Physician Assistant Committee to establish standards for the approval of programs for the education and training of physician assistants.

Existing regulations permit only physicians to act as preceptors for the training and education of physician assistant preceptees. This proposal would expand the type of licensed health care providers who may act as preceptors to include physician and surgeons, physician assistants, registered nurses who have been certified in advanced practice, certified nurse midwives, license clinical social workers, marriage and family therapists, licensed educational psychologists, and licensed psychologists.

The proposal would also require that the above-mentioned health care preceptors not have had the privilege to practice the profession for which they are licensed terminated, suspended, or otherwise restricted as a result of a final disciplinary action by any state

healing arts licensing board or agency of the federal government within 5 years immediately preceding their participation in a preceptorship.

This proposal would require that the above-mentioned health care preceptors be sufficiently qualified to teach and supervise preceptees within the scope of their license.

This proposal would delete the requirement that a preceptor not be assigned to supervise more than one preceptee at a time.

This proposal would delete the requirement that the preceptor charge a fee for only those personal and identifiable services rendered. It would also delete the requirement that the services of the preceptee shall be considered as part of the global services provided and there shall be no separate billing for the services rendered by the preceptee.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None.

Nondiscretionary Costs/Savings to Local Agencies: None.

Local Mandate: None.

Cost to Any Local Agency or School District for Which Government Code Sections 17500 – 17630 Require Reimbursement: None.

Business Impact:

The Physician Assistant Committee has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states because it only affects preceptors and physician assistant preceptees.

The following studies/relevant data were relied upon in making the above determination: None.

Impact on Jobs/New Businesses:

The Physician Assistant Committee has determined that this regulatory proposal will not have a significant impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California. This proposal may create additional jobs in the training and education of physician assistants by expanding the categories of licensed health care providers that may act as preceptors.

Cost Impact on Representative Private Person or Business:

The Physician Assistant Committee is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None

EFFECT ON SMALL BUSINESS

The Physician Assistant Committee has determined that the proposed regulations would not affect small businesses because it only impacts preceptors and physician assistant preceptees.

CONSIDERATION OF ALTERNATIVES

The Physician Assistant Committee must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.
