Authority and Reference: Pursuant to the authority vested by Section 3510 of the Business and Professions Code, and to implement, interpret or make specific Section 138 of said Code, the Physician Assistant Committee is considering changes to Division 13.8 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Business and Professions Code Section 3510 authorizes the Committee to adopt, amend, or repeal regulations as may be necessary to enable it to carry into effect the provisions of the Physician Assistant Practice Act. The Committee is proposing the following changes:

Adopt Section 1399.547

Business and Professions Code Section 138 requires that every board within the Department of Consumer Affairs adopt regulations requiring its licensees to provide notification to their customers that the practitioner is licensed by the state.

This proposal implements Business and Professions Code Section 138 by requiring physician assistant licensees to notify consumers that they are licensed by the Physician Assistant Committee.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: Minor.

Nondiscretionary Costs/Savings to Local Agencies: None.

Local Mandate: None.

Cost to Any Local Agency or School District for Which Government Code Sections 17500 – 17630 Require Reimbursement: None.

Business Impact:

The board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

AND

The following studies/relevant data were relied upon in making the above Determination: None.

Impact on Jobs/New Businesses:

The Physician Assistant Committee has determined that this regulatory proposal will not have any impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business:

The Physician Assistant Committee is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None.

EFFECT ON SMALL BUSINESS

The Physician Assistant Committee has determined that the proposed regulations would affect small businesses because some licensees may work in a small business practice setting.

This proposed regulation would require licensees to determine which of three notification methods would be the most appropriate for their practice setting. The three

(3) methods include: posting a sign where their patients may see it; include a written statement signed and dated by the patient and placed in their medical record; or include the notification language on another document just above the patient signature line.

The Committee believes that the impact would be minimal, since it is anticipated that most offices will post one (1) sign in an area where their patients may see it.

CONSIDERATION OF ALTERNATIVES

The Physician Assistant Committee must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.
